Planning Suggestions

• You might wish to set-up this station as information sharing or make it interactive in some way.
• Select a title that matches your key messages
• For this station, consider what you’d like to share about BSO.
  o What would you like people to know more about?
  o What questions do you frequently get asked?
  o What myths would you like to bust?
• BSO Team Members
  o Who are they?
  o What is their role?
• BSO Mobile Team
  o Who are they?
  o What is their role?
• How does OTN help provide care to residents with responsive behaviours
• You might like to use a before and after case study.
